Working Group Summary Slides

WJTSC 07-1

Joint Lessons Learned Working Group

- Update on funding, the CJCSI and the revised Implementation Plan
- Administrator and Command Lesson Manager training provided by Marine Corps Center for Lessons Learned
- Configuration Management completed for the Combatant Commands Tier 1 installation
- Working Group participation included all Combatant Commands, Services and numerous Combat Support Agencies

UJTL User Advisory Group

- UJTL Task Staffing Status
- Joint Task Article Staffing Status
- Joint Capability Area/UJTL Mapping Status
- JTIMS/DRRS/UJTL Integration
- UTJL Task Development Tool
- UJTL Task Formatting
- New Intelligence Tasks Brief
- UJTL Task Adjudication
  - 40 Tasks Adjudicated
  - 27 Tasks Approved
  - 12 Tasks Tabled (majority SJFHQ (CE) Tasks)
  - 1 Tasks OPOC Dropped
- Issues
  - Update to CJCSM 3500.04D
  - Integration of UJTL Database into DRRS as the Authoritative database
  - Address SJFHQ (CE) tasks

Joint Training Information System (JTIMS)

User Advisory Group

- **Version 2.2 (SPIRAL 5) Overview**
- **Version 2.3 (SPIRAL 6) Design Concept Review**
- **Version 2.4 (SPIRAL 7) Design Concept Review**
- **T2 Block Assessment Requirements Design Concept Review**
- **Post Version 2.4 Open Requirements**
- **JTIMS-DRRS-JDEIS Integration**
- **Open Session Discussions**
  - **Slow the JTIMS SPIRAL development**
  - **Focused on the STRATLIFT Module**
  - **Major stakeholders/Key JTIMS user's recommended meeting prior to the WJTSC**
- **System Issues/Concerns**
  - **DRRS – JTIMS METL Integration**
  - **UIC Library Updates – will update the JTIMS library with DRRS provided updates**
  - **Report Latency – J7 stood up a separate report server**
- **Train-the-Trainer**

Exercise Synchronization Working Group

- **Purpose**: To describe and discuss the new National Exercise Program and synchronize Tier 1, 2 and 3 exercises with major COCOM and JWFC supported exercises on the 5-year schedule.
- **What we accomplished**:
- Increased awareness of NEP charter memo and Implementation Plan
- Synchronized FY 08 and FY 09 DOD exercises
  - Surfaced issue related to Mar 08 (cyber-related exercise)
- Develop POA&M for linking exercises
- Examined the integration of Experimentation into exercise scheduling
- Further integrated PSI planning and resource forecasting into exercise scheduling
- What is the POA&M for developing linked exercise policy? COMPLETE
- What are the proposed linked exercises for FY 09/10/11? COMPLETE
- What are the tier designations for the linked exercises on the 5-year schedule? COMPLETE
- How do the linked exercises line up with JWFC supported exercises? COMPLETE
- **Summary of issues**:
- Linked Exercise Policy
  - Define “linked exercise”
    - Determine goals for linking exercises (i.e. what is the primary purpose for linking versus setting up simulation cell in associated organization)
  - Establish process for objectives hierarchy (SN versus ST tasks/objectives)
  - Consolidate JMSEL into single database at CDC
  - Develop process for integrating allied participation
  - Develop tiers for exercise objectives (ex: writing EXORD different tier from Crisis Action/Adaptive planning)
  - Develop process for coordinating Tier I and II support requests for federal and regional participation/support
  - Develop process for determining lead decision maker(s) for linked exercises
  - Determine linked exercise country naming convention
  - Examine requirements for JWFC support to large linked exercises
  - Examine OT process for DOD to I/A linked exercises
  - Level of Participation

WJTSC 07-1
JNTC OM PAT Working Group
05 March 2007

Event: JNTC OM PAT Working Group (1300-1700)
LtCol Jim Izen (OM PAT Coordinator)

Agenda Items/Discussions:

- National Guard Bureau
- JNTC Accreditation and Certification Revised Schedule
- PACOM Training Programs/Tasks
- JNTC Support Elements (SE) Fielding Plan
